The light Swedish wheelchair
for standing!

The light Swedish wheelchair for standing!

SUPERIOR is made of Docol high-strength steel with a total weight of only 15 kg*.

SUPERIOR is fantastic to drive. It has a perfect standing and is suitable at home and at work.

The ergonomic and handsome design with fewer bars underneath is very attractive and it looks like an active wheelchair.

The active standing that **SUPERIOR** provides increases the circulation in the body and improves there by the digesting. Standing up reduces the risk of Bladder infections, Pressure ulcers and Osteoporosis.

The individual adaptation gives a perfect fit, thanks to all the different adjustments:

- Seat depth
- Strength of gasstrut
- Backrest height
- Backwheel balance
- Leg length

* refers to the original design.
